

CEYLON PETROLEUM STORAGE TERMINALS LIMITED

VACANCY

Ceylon Petroleum Storage Terminals Limited (CPSTL) invites applications from suitably qualified and experienced candidates to join the project team responsible for contract administration of major projects at the Kolonnawa Installation and Muthurajawela Terminal.

POST OF ENGINEERING ASSISTANT (MECHANICAL)

Qualifications required

- National Diploma in Technology (Mechanical) (NDT); or
- Higher National Diploma in Mechanical Engineering (HNDE); or
- National Diploma in Engineering Sciences (NDES) in Mechanical; or
- NVQ Level 5 in Mechanical Engineering; or an equivalent qualification recognized in Sri Lanka.

Experience

- Minimum five (05) years of relevant experience in industrial construction projects.
- Ability to read and understand mechanical and fabrication drawings.
- Knowledge of welding processes and Non-Destructive Testing methods.
- Familiarity with API requirements applicable to fuel storage tank construction.
- Computer literacy in AutoCAD and MS Office applications.
- Experience in petroleum terminals, tank farm construction, oil and gas facilities, or similar industrial projects will be an added advantage.

Duties & Responsibilities

- Assist the Project Manager, Project Engineer and CPSTL management in supervising, inspecting, monitoring and documenting all mechanical activities related to the construction of Petroleum product storage tanks, associated piping systems and commissioning activities.
- Assist Mechanical Engineers and QA/QC Inspectors in the construction, fabrication and erection of fuel storage tanks.
- Monitor/supervise fabrication, erection, welding, tank shell plate installation, roof structure installation, nozzle installation, pipeline work, support installations and related activities in accordance with approved drawings and specifications.
- Verify and inspect contractor's measurements.
- Maintain site reports and logbooks and prepare progress reports and other relevant documents.
- Coordinate effectively with contractor's supervisory staff and CPSTL staff.
- Ensure contractor compliance with CPSTL's safety regulations, work permit requirements and HSE requirements.
- Participate in progress review meetings as required.
- Ensure satisfactory completion of mechanical work prior to handover.

➤ **Possessing Project related qualifications/experience would be a definite advantage.**

Service Conditions

- The appointment will be on contract basis for the periods specified below for each project, subject to renewal on the project requirements and successful performance.
 - i. Twenty-two (22) months - 6-Tanks project
 - ii. Fourteen (14) months - KHPP
 - iii. Nineteen (19) months - 3-Tanks project
- Maximum age limit for the above posts is 65 years as at the closing date of application.

The Company will contribute 15% of the salary towards the EPF whilst the employee will have to contribute 10% for the same. The Company will also contribute 3% of the salary towards the ETF. Selected candidate will be placed on probation for a period of three years from the date of assumption of duties.

Qualified applicants who wish to apply for this post are requested to furnish their details in the Microsoft Form herein

https://forms.office.com/Pages/ResponsePage.aspx?id=IKtTD9AkO0SKPL4_sPhAtngLmK3Wm5_FJnimodI_0jjFUNUI1TTc4S0dSTU4yVFYxWEc2MFBFTDRPRS4u and submit to reach us on or before **08.07.2026**.

- The required qualifications must be fulfilled by the closing date of the application and he/she should be able to produce the relevant certificates when requested.
- CPSTL has the right to call only the shortlisted candidates based on the relevancy of the educational qualifications, experience or any other suitable criteria.
- If required, a selection test would be held to further filter the number of candidates.
- Applications with inaccurate or incomprehensive information will be rejected.
