

CEYLON PETROLEUM STORAGE TERMINALS LIMITED

VACANCY

Ceylon Petroleum Storage Terminals Limited (CPSTL) invites applications from suitably qualified and experienced candidates to join the project team responsible for contract administration of major projects at the Kolonnawa Installation and Muthurajawela Terminal.

POST OF ENGINEERING ASSISTANT (CIVIL)

Qualifications required.

- National Diploma in Technology (Civil) (NDT); or
- Higher National Diploma in Civil Engineering (HNDE); or
- National Diploma in Engineering Sciences (NDES) in Civil; or
- NVQ Level 5 in Civil Engineering; or an equivalent qualification recognized in Sri Lanka.

Experience:

- Minimum five (05) years of relevant experience in industrial construction projects.
- Ability to read and interpret civil and structural drawings.
- Knowledge of surveying, levelling, concreting, and construction quality control practices.
- Computer literacy in AutoCAD and MS Office applications.
- Experience in petroleum terminals, tank farm construction, oil and gas facilities, or similar industrial projects will be an added advantage.

Duties & Responsibilities

- Assist the Project Manager, Project Engineer, and CPSTL Management in supervising, inspecting, monitoring, and documenting all civil and structural works associated with Petroleum product storage tank construction, and related infrastructure.
- Assist Civil Engineers and QA/QC Inspectors in all civil construction activities related to the project.
- Monitor and supervise the construction of tank foundations, ring walls, bund walls, drainage systems, roads and paving, structural foundations, and related works in accordance with approved drawings and specifications.
- Inspect concrete works, reinforcement, formwork, and earthworks, and monitor material quality while witnessing field and laboratory tests.
- Verify and check contractor measurements.
- Maintain site records and logbooks and prepare progress reports and other relevant documentation.
- Coordinate effectively with the Contractor's supervisory personnel and CPSTL staff.

- Ensure contractor compliance with CPSTL's safety regulations, work permit requirements and HSE requirements.
 - Participate in progress review meetings as required.
 - Ensure satisfactory completion of civil work prior to handover.
- **Possessing Project related qualifications/experience would be a definite advantage.**

Salary scale : Rs.131,770 + Rs. 5,250 + (Variable Allowances)

Service Conditions

- The appointment will be on contract basis for the periods specified below for each project, subject to renewal on the project requirements and successful performance.
 - i. Twenty-two (22) months - 6-Tanks project
 - ii. Fourteen (14) months - KHPP
 - iii. Nineteen (19) months - 3-Tanks project
- Maximum age limit for the above posts is 65 years as at the closing date of application.

The Company will contribute 15% of the salary towards the EPF whilst the employee will have to contribute 10% for the same. The Company will also contribute 3% of the salary towards the ETF. Selected candidate will be placed on probation for a period of three years from the date of assumption of duties.

Qualified applicants who wish to apply for this post are requested to furnish their details in the Microsoft Forms herein
