Job Description

Your Dream of Flying Starts Here

With the passion to fly, the discipline to excel, and the ambition to reach new heights, our Junior First Officer Programme offers you the opportunity to turn your dream into a rewarding career in the skies. Train alongside experienced aviation professionals, develop the skills to command the cockpit, and take the first step towards a career without limits.

Requirements

- Applicants should possess an ATPL issued by the CAASL.
- A valid Class 1 Medical Certificate.
- A minimum of 3000 hours total flying time including 500 hours on Turbine/Jet Aircraft.

The applicants should also possess the following,

- A Bachelor's Degree or a Masters from a recognized university certified by the University Grants Commission, Sri Lanka.

Age to be not more than 45 years as of 21st September 2026.

The above vacancies are open to Sri Lankan citizens only.

Exposure to information technology and fluency in English are essential requirements. Additionally, candidates must possess good inter-personal skills and demonstrate the ability to support and sustain a positive work environment that fosters team performance.

Successful candidates will be offered the opportunity to undergo training at SriLankan Airlines' Approved Training Organization (ATO).

As part of our investment in your professional development, the cost of training will be recovered through salary deductions over a pre-agreed period. During this time, selected candidates will be bonded to the organization in recognition of this valuable commitment.

If you have what it takes, we warmly invite you to join the SriLankan family and embark on this exciting journey with us.

Note:

Upon submission of your application online, please email us below documents as a single file to cadetpilot.recruitment@srilankan.com by **21st September 2026**. Kindly indicate "**Application reference number- Junior First Officer**" as the email subject.
