Job Description

Responsible for implementing, maintaining & continuous improvement of the Safety Management System in accordance with Safety Management System Manuals.

Job Accountabilities:

- Responsible for attending to all Voluntary and Mandatory Reports and ensuring that they are properly administered in accordance with the established process for hazard identification, risk assessment, risk mitigation, and verification of corrective actions, thereby ensuring the highest safety standards are maintained in a timely manner.
- Monitor the Safety Database (AQD) to ensure that safety reports from all disciplines are properly recorded, addressed, and closed within the stipulated timeframes, and apprise the Aviation & Cabin Safety Manager of any long-pending reports requiring attention.
- Responsible for ensuring that safety information is prepared and disseminated to all employees as part of the Safety Accident Prevention Programme, with the aim of enhancing safety knowledge and situational awareness in the workplace and fostering a positive safety culture.
- Assist in planning, coordinating, and conducting Safety Audits and Safety Inspections across relevant disciplines in accordance with the requirements specified in the Safety Management System Manual (SMSM).
- Assist in the preparation and coordination for internal OQ audits, as well as CAASL, IOSA, ISAGO, EASA, and other external audits conducted by relevant organizations.
- Assist in coordinating and ensuring that Safety Review Board (SRB), SAG Heads' meetings, and Safety Action Group (SAG) meetings are conducted in accordance with the requirements and procedures specified in the SMS Manual.
- Ensure that the Safety Management System Manual (SMSM) is reviewed and updated as required, in accordance with applicable CAASL and IATA requirements.
- Assist in developing Safety Performance Indicators (SPIs), ensure the SPI database is maintained with the latest data; and monitor the implementation of mitigation actions for any breached SPIs.
- Prepare and deliver analytical overviews of safety reports, investigations reports, and other relevant safety data to the Aviation and Cabin Safety Manager (A&CSM) for presentation at Safety Review Board (SRB) and Safety Action Group Heads' (SAG Heads') meetings.
- Assist in maintaining the Occupational Health and Safety (OH&S) Programme in coordination with the A&CSM and OHS Manager to promote and ensure the health, safety, and well-being of staff members.

Requirements

- 6 passes at GCE O/L with 4 Credits in one sitting and a credit for English and 2 passes at GCE A/Ls with 4 years' work experience.

OR

- 6 Passes at GCE O/L with 4 Credits in one sitting and a credit for English and full or part professional qualification with 3 years' work experience.

The upper age limit should be 30 years as of 01st November 2026 which is the closing date.

Be a Sri Lankan Citizen.

Employment will be offered on fixed term contract.

Influencing will be a reflection of unsuitability.

We are an equal opportunity Organization.

Please note that we will correspond with you within a month of closing the advertisement in the event your application is shortlisted for consideration.
