

BE A PROFESSIONAL AIRPORT FIRE FIGHTER

Why ?

Possessing an ICAO (International Civil Aviation organization) recognized qualification is an advantage for you to be employed as a professional Airport Fire Fighter. After successful completion of training you will be eligible to be absorbed to the AASL permanent cadre.

How ?

The applicants are required to undergo a physical fitness test, written test, interview and standard medical test. The selectees will receive training at 2 stages.

What?

We are looking for young and energetic **male candidates**, who possess required qualifications to undergo training in Airport Fire & Rescue Services at Bandaranaike International Airport (BIA) at Katunayake and Sri Lanka Airport & Aviation Academy (SLAAA) at Ratmalana, with the aim of paving a path to them to become professional Airport Fire Fighter.

STAGE 01

Fire & Rescue Trainee

- ICAO Standard Training Program (04 months Residential Course)
- Those who are successful at the final examination of stage 01 are eligible to follow STAGE 02.

STAGE 02

Trainee Airport Fire Fighter

- On the job Training at BIA (01 Year) Trainees will be deployed at BIA to undergo Fire operational training with uniforms.
- Mandatory continuation Training programmes (04 classes per month).
- Those who have successfully completed Training will be absorbed into the permanent cadre as Airport Fire Fighter Grade II

YOUR SUITABILITY

- Should have passed the GCE (O/L) examination including Credit passes for English Language and Mathematics with a simple pass for Science.
- Preference will be given to those who have passed the GCE (A/L) examination in 03 subjects.
- Age should be below 25 years.
- Minimum **height 66 inches and minimum weight 56 Kg.**

GENERAL

- The candidates those who are successful at the selection process shall enter in to a Bond prior to commence the training programme.
- Selected candidates for Fire & Rescue Training will be paid an allowance during the training period.
- Those who have successful completed training will be absorbed in to the permanent cadre of AASL as Airport Fire Fighter Grade- II and attractive remuneration package will offer.

YOUR APPLICATION

- Those who are interested please send your application only by **registered post or Courier Service** only to the “**Chairman, Airport & Aviation Services (Sri Lanka) (Private) Limited, Bandaranaike International Airport, Katunayake**” as per the specimen application given in our Website www.airport.lk>Corporate>Careers on or before **July 10, 2024**.
- Please indicate as “**Application for Fire & Rescue Trainee**” on the top left hand corner of the envelop.
- **Applications without copies of the relevant educational certificates and/ or forwarded in other modes and/ or not in accordance with the specimen given in our Website will be rejected.**
- Whilst thanking you for your interest in joining us, please note that only shortlisted applicants will be notified for tests/interviews.
