JOIN THE LEADER IN HIGHER EDUCATION

University of Peradeniya, the premier Sri Lankan academic institution, world renowned for excellence in teaching and research, will entertain applications from suitably qualified persons for the following permanent posts until 09.12.2024.

FACULTY OF AGRICULTURE

01) Department of Agricultural Economics and Business Management

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

The Department is looking for candidates having a Bachelor's degree in Agricultural Technology and Management/Agriculture.

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I, should have postgraduate qualifications as stipulated in the relevant circulars, in Agricultural Economics or an allied field. Ability to teach Livestock economics as well as other applied economics subjects will be given preference

Preference will be given to those who have specialized in Agricultural Economics/ Applied Economics and Business Management in their basic degree. (Selected candidate will be assigned to the discipline of Livestock Economics)

02) Department of Crop Science

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

The Department is looking for candidates having a B.Sc. (honours) degree in Agriculture/ Agricultural Technology and Management/ Bio-Science /Mathematics/Statistics.

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I, should have postgraduate qualifications (PhD), as stipulated in the relevant circulars, in Statistics/Applied Statistics/Bio-

Statistics. Ability to teach subjects related to applications of Statistics in Agriculture related areas will be given preference.

Preference will be given to those who have specialized in Statistics in their basic degree. (Selected candidate will be assigned to the discipline of Statistics)

03) Department of Soil Science

(i) Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is looking for candidates having a B.Sc. degree in Agriculture/ Agricultural Technology and Management.

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I should have postgraduate qualifications as stipulated in the relevant circulars in the field of precision soil management with special reference to soil sensing and geospatial tools. Preference will be given to those who have specialized in Soil Science in the undergraduate degree program and have postgraduate qualifications in Soil Sensing for Precision Soil Management.

Those who are having research and teaching experience in Soil Sensing for Precision Soil Management, Geospatial Analysis, machine learning based analysis and bigdata analysis related to the discipline of Soil Management will be an added qualification. (Selected candidate will be assigned to the discipline of **Soil Sensing for Precision Soil Management.**)

(ii) Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is looking for candidates having a B.Sc. degree in Agriculture/ Agricultural Technology and Management.

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I should have postgraduate qualifications as stipulated in the relevant circulars in the field of plant nutrient dynamics in soil ecosystem. Preference will be given to those who have specialized in Soil Science in the undergraduate degree program and

have postgraduate qualifications in plant nutrient dynamics in soil ecosystem.

Those who are have teaching experience in plant nutrient dynamics in soil ecosystem and biogeochemical modelling will be an added qualification. (Selected candidates will be assigned to the discipline of Plant Nutrient Dynamics in Soil Ecosystem.)

04) Mahailuppallama Teaching Unit

Attached to the Department of Soil Science

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

The Department is looking for candidates having a B.Sc. degree in Agriculture/ Agricultural Technology and Management.

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I should have postgraduate qualifications as stipulated in the relevant circulars in the field of Soil Survey and Classification. Preference will be given to those who have specialized in Soil Science in the undergraduate degree program and have postgraduate qualifications in Soil Survey and Classification, digital soil mapping and land evaluation.

Those who are having research and teaching experience in Soil Survey and Classification, digital soil mapping and land evaluation will be an added qualification. (Selected candidate will be assigned to the discipline of Soil Survey and Classification)

Attached to the Department of Agricultural Engineering

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

The Department is looking for a candidate having a B.Sc. degree in Agriculture/ Agricultural Technology and Management or any other related degree. Specialization should be in Agricultural Engineering or Agricultural & Biosystems Engineering.

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I should have postgraduate qualifications as stipulated in the relevant circulars, in the field of Agricultural Machinery and Mechanization in addition to the basic qualifications listed above.

Those who are having experience in teaching or training or research in agricultural machinery and mechanization in recognized academic or research institutions will be an added qualification. (Selected candidate will be assigned to the discipline of **Agricultural Machinery and Mechanization**)

FACULTY OF ALLIED HEALTH SCIENCES

01) Department of Nursing

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from candidates holding a four year Bachelor of Science (Honors) in Nursing. Candidates should be registered under Sri Lanka Nursing Council (SLNC).

Postgraduate degree as stipulated in the relevant circulars relevant to the field of Nursing, is an essential qualification for Lecturer (unconfirmed) and Senior Lecturer Grade II/I. Specialized qualifications are teaching experience/ postgraduate qualification in Nursing Theory and Practice/ Nursing Skills, Paediatric Nursing, Medical/Surgical and Community Health Nursing and research experience in the field of Nursing/ Health Science.

Experience of working as a nurse in a clinical setting is an added qualification

FACULTY OF ARTS

01) Department of Economics & Statistics

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from the graduates with a Bachelor of Arts Honours/Special degree in Economics. Postgraduate qualifications as stipulated in the relevant circulars are required for Lecturer (unconfirmed) and Senior Lecturer Grade II/I. **The applicant should have studied the first degree in Tamil Medium. Ability to teach in English mediums is an essential qualification.**

Preferred areas of expertise; Financial Economics, International Economics (Trade and Finance), Political Economy and Economic Thoughts.

02) Department of Sociology

(i) Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I (Sinhala and English Medium)

The Department is looking for candidates having an honours degree in Sociology/Social or Cultural Anthropology.

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I should have postgraduate degree (with thesis) as stipulated in the relevant circulars in the field of Sociology/ Social or Cultural Anthropology.

The essential qualifications constitute postgraduate level qualifications in English Literature and Language Studies.

FACULTY OF DENTAL SCIENCES

01) Department of Community Dental Health

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from BDS graduates. Preference will be given to candidates with MD in restorative dentistry and certified as a specialist Postgraduate in Paediatric Dentistry or equivalent qualification will be considered for Senior Lecturer Grade II/I & those who are awaiting board certification will be considered for Lecturer (Unconfirmed).

Experience in teaching undergraduates, special interest in developing research in relation to dental materials or Paediatrics Dentistry will be added qualifications **(Selected candidate will be assigned to the division of Paedodontics/Paediatric Dentistry)**

02) Department of Restorative Dentistry

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from BDS graduates. Preference will be given to candidates who possess MD in Restorative Dentistry with board certification as a specialist in Restorative Dentistry by PGIM Colombo & those who are awaiting board certification will be considered for Lecturer (Unconfirmed).

Research publications related to dental biomaterial sciences, undergraduates teaching experience, good research skills, excellent communication skills and good interpersonal relations will be added qualifications.

FACULTY OF ENGINEERING

01) Department of Chemical and Process Engineering

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

The Department is looking for candidates having a BSc. Engi. Degree specialized in Chemical Engineering, Bioengineering or closely related field. Those who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I should have a postgraduate qualification as stipulated in relevant circulars in the field of Chemical Engineering, Environmental Engineering, Bioengineering or closely related field.

Preference will be given to candidates with following specialized qualifications in Chemical and Process Engineering.

Computational Fluid Dynamics, Process Design and Integration, Process Modelling and Optimization, Energy Systems Modelling, and Bioengineering.

02) Department of Civil Engineering

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

Applications are entertained from graduates with the Bachelor of the Science of Engineering Honours specialized in Civil Engineering or B.Sc. Honours degree specializing in Quantity Surveying Sciences/ Geomatics or equivalent from a recognized and reputed university..

Postgraduate qualifications in one or more of the following areas from a reputed university as applicable and stipulated in the relevant circulars is a required qualification for Lecturer (Unconfirmed) and Senior Lecturer Gr.II/I posts.

- * Fluid Mechanics including Computational Fluid Dynamics (CFD)
- * Coastal Engineering
- * Structural Engineering
- * Highway and Pavement Design
- * Building Economics and Quantity Surveying
- * Construction Management

- * Materials Science and Engineering
- * Civil Engineering Project Management/Economics and Financing
- * Advanced Surveying
- * Geotechnical Engineering
- * Advanced Surveying/Geographical Information System & Remote Sensing

Preference will be given to applicants with recent postgraduate qualification in the above areas. Expertise in use and development of modern computational tools and related software in the above areas will be an added qualification.

03) Department of Engineering Management

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from candidates who hold a Bachelor of the Science of Engineering Honours (BScEngHons) degree

Postgraduate qualifications by research in Management related areas or Construction Management as stipulated in relevant circulars are required qualifications for Lecturer(Unconfirmed), Senior Lecturer Grade II/ Senior Lecturer Grade I

Preference will be given to candidates with field experience in the Engineering Sector for at least five years. The candidate should be able to cater to the sectors of teaching economic, financial, marketing, entrepreneurship, and human resources aspects of engineering. Experience in lecturing in any reputed institution will be an added advantage.

04) Department of Manufacturing & Industrial Engineering

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from graduates with B.Sc. Engineering degree specialized in Production Engineering, Manufacturing and Industrial Engineering, Mechanical and Manufacturing Engineering, Logistics and Transportation Engineering, Electrical and Electronic Engineering or Materials Engineering or any relevant Science Degree (Material Science, Operations Research and Statistics).

Postgraduate qualifications in the areas as stipulated in relevant circulars and relevant postgraduate qualification in the areas of Robotics & Automation, Digital Manufacturing, Supply Chain Engineering/Management, Advanced Manufacturing Processes, Industrial Engineering, Industrial Safety and Risk Management, Ergonomics and Human Factors Engineering, Computer Aided Design and Manufacturing, Additive Manufacturing, Nano Manufacturing and Sustainable/ Environmental Engineering from a reputed university are required specialized qualifications for Lecturer (unconfirmed) and Senior Lecturer Grade II/I.

Teaching experience at undergraduate and postgraduate levels, industry experience of 2 – 3 year or more, peer-reviewed research publications in the relevant area/s of specialization, and success in securing research funding etc. will be an added qualification.

Preference will be given to those who also have industrial and/or research experience in Manufacturing, Robotics and Automation, Industrial Engineering, Logistics and Supply Chain Engineering, Sustainable Manufacturing, Industrial Statistics, Systems Simulation, Computational Fluid Dynamics (CFD)/ Finite Element Modelling (FEM), Control Systems Engineering, Lean Manufacturing.

05) Department of Mechanical Engineering

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is especially looking for candidates who hold a B.Sc. Engineering degree with specialization in Mechanical Engineering, Production Engineering or a closely related field

Candidates who are applying for Lecturer (unconfirmed) and Senior Lecturer Grade II/I should have Postgraduate qualifications as stipulated in the relevant circulars as follows.

- 1 B.Sc. Engineering degree with specialization in Mechanical Engineering, or a related field and postgraduate qualifications in Mechanical Engineering, or a closely related field
- 2 B.Sc. Engineering degree with specialization in Production Engineering, Electrical and Electronic or Computer Engineering and postgraduate qualifications in the areas of Mechatronics, or Bio-medical Engineering.

Preference will be given to candidates with the following specialized qualifications in Mechanical Engineering.

Machine Design, Finite Element Analysis, Energy Systems Modelling, Material Science and Engineering, Computational Fluid Dynamics, Combustion Engineering, Aerodynamics, Mechatronics, Robotics, Biomechanics and Bio-medical Engineering

FACULTY OF MEDICINE

01) Department of Anatomy

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from MBBS or BDS graduates. A Postgraduate degree relevant to the Department of Anatomy or MD with board certification in Surgery/ Radiology/ Pathology specialty/ subspecialty is an essential qualification for Senior Lecturer Gr.II/ Senior Lecturer Gr I. And those awaiting board certification could be recruited for Lecturer (Unconfirmed) post.

02) Department of Biochemistry

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from MBBS graduates only.

Distinction in Biochemistry and Research publications in Biochemistry or Molecular Biology or Health related fields are added qualifications.

Postgraduate in Biochemistry or in a Biochemistry related field as stipulated in relevant circulars is an essential qualification for Lecturer (unconfirmed) and Senior Lecturer Grade III/I.

03) Department of Community Medicine

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is looking for candidates having an MBBS degree. Postgraduate qualification in Community Medicine, as stipulated in the relevant circulars or MD (Community Medicine) with Board Certification, is an essential qualification for Senior Lecturer Gr.III/I. MD & awaiting Board Certification for Lecturer (Unconfirmed).

04) Department of Family Medicine

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

Applications are entertained from MBBS graduates. MD as stipulated in relevant circulars in Family Medicine/ Community Medicine with board certification is an essential qualification for Senior Lecturer Gr.II/I. MD & awaiting Board Certification for Lecturer (Unconfirmed). Good Publication History will be an added qualification.

05) Department of Medical Education

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

Applications are entertained from MBBS graduates. MD in Medical Education as stipulated in the relevant circulars with board certification or a postgraduate degree relevant to the field of Medical Education as stipulated in the relevant circulars are the essential qualification for Senior Lecturer Gr.II/I. MD & awaiting Board Certification for Lecturer (Unconfirmed). A background in Medical Education, Psychology or Medical informatics will be an added qualification.

06) Department of Microbiology

**Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

Applications are entertained from MBBS graduates. MD in Medical Microbiology or Virology with as stipulated in the relevant circulars with Board Certification is an essential qualification for Senior Lecturer Gr.II/I. MD & awaiting Board Certification for Lecturer (Unconfirmed).

Preference will be given for MD in Medical Microbiology if two candidates with MD in Virology and MD in Microbiology with equal other qualifications apply. If a candidate is selected at Lecturer (Probationary) level, they would be expected to follow MD in Medical Microbiology or a PhD, depending on the departmental requirements.

07) Department of Physiology

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from the MBBS graduates. Sri Lanka Medical Council provisional/full registration is an essential qualification. A postgraduate qualification as stipulated in the relevant circulars is an essential qualification for Senior Lecturer Grade II/I.

FACULTY OF SCIENCE

01) Department of Chemistry

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is especially looking for candidates having B.Sc. special degree in Chemistry.

Postgraduate qualifications as stipulated in relevant circulars are essential qualifications for Lecturer (Unconfirmed) and Senior Lecturer Grade II/ Grade I.

Preference will be given for candidates having research and teaching experience on the following area/s continuously from the last five years up to date

1. Advanced Inorganic Synthesis/Chemistry and Crystallography
2. Organic Synthesis and Advanced Spectroscopy
3. Physical Chemistry with specialisation in Thermodynamics and/or Quantum mechanics and/or Electrochemistry

Outstanding teaching skills, Excellent communication skills and good interpersonal relations will be an added qualification.

02) Department of Mathematics

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is especially looking for candidates having B.Sc. Honours Degree in Mathematics or Operations Research as a principal subject.

Postgraduate qualifications as stipulated in relevant circulars in Mathematics with a research component is an essential qualification for Lecturer (Unconfirmed) and Senior Lecturer Grade II/I. Postgraduate qualifications as stipulated in relevant circulars in Financial Mathematics would be specialized qualification for Lecturer (Unconfirmed) and Senior Lecturer Grade II/I.

03) Department of Geology

(i) Professor of Geology

Applications are entertained from interested persons who have fulfilled the requirements as stipulated in the UGC Circular No. 916, 04/2014 and the Establishment Circular Letters Nos. 04/2010, 12/2019 & 08/2021.

(ii) Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is especially looking for candidates having B.Sc. Special degree in Geology. Postgraduate qualifications as stipulated in relevant circulars are essential qualification for Lecturer (Unconfirmed) and Senior Lecturer Grade II/I.

Preference will be given to candidates holding postgraduate qualifications in Hydrogeology, Geophysics, Hydrology or Stratigraphy/Paleontology.

04) Department of Physics

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is especially looking for candidates having B.Sc. special degree in Physics. Postgraduate qualifications as stipulated in relevant circulars are essential qualification for Lecturer (Unconfirmed) and Senior Lecturer Grade II/I.

Preference will be given for the candidates with postgraduate qualifications in the following fields.

1. Astrophysics
2. Atmospheric Physics
3. Biophysics
4. Computational Physics
5. Medical Physics
6. Nuclear Engineering
7. Reactor Physics
8. Nanoscience/Nanotechnology

Training/experience/research publications in the above mentioned fields will be an added qualification for applicant with postgraduate qualifications.

Completions of postgraduate level coursework followed in core areas of Physics such as Classical Physics, Quantum Physics, Electrodynamics Statistical Physics and Mathematical Methods will be viewed as extra qualifications.

05) Department of Statistics & Computr Sciences

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

The Department is especially looking for candidates having B.Sc. honours/special degree in Computer Science or B.Sc. honours in Computer Engineering or B.Sc. honours/special degree in Data Science. Postgraduate qualifications as stipulated in relevant circulars are essential qualification for Lecturer (Unconfirmed) and Senior Lecturer Grade II/I.

Preference will be given to the candidates who have postgraduate qualifications in Computer Science or Data Science, especially in following fields:

1. Machine Learning, Natural Language Processing, Artificial Intelligence, Cloud and High-Performance Computing, Data Analytics
2. Communication Networks, Internet of Things, Information and Cyber Security

Having professional qualifications or industry experience in the following arears would be an added qualifications:

1. Cloud-based data management and analytics platforms
2. Computer Networking

FACULTY OF VETERINARY MEDICINE & ANIMAL SCIENCE

01) Department of Veterinary Clinical Sciences

Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/ Senior Lecturer Grade I

Applications are entertained from BVSc graduates, who are registered as Veterinary Surgeon in the Veterinary Council of Sri Lanka. Postgraduate qualifications as stipulated in relevant circulars are essential for Lecturer (Unconfirmed) and Senior Lecturer Grade II/I.

Preference will be given to applicants with “B” grade or above in the CWZA Medicine, CWZA Surgery and CWZA Reproduction in the Final BVSc. Examination, 2 or more years of experience in pet animal clinical teaching to veterinary undergraduates, 2 or more years of experience in pet animal practice and continuous professional development in pet, wild or zoo animal medicine or surgery are preferred qualifications.

02) Department of Veterinary Pathobiology

(i) Professor of Veterinary Pathobiology

Applications are entertained from interested persons who have BVSc. degree and should be a Registered Veterinarian in the Sri Lanka Veterinary Council, an acceptable postgraduate qualification in Veterinary Pathobiology subjects as stipulated in the UGC Circular No. 916, 04/2014 and the Establishment Circular Letters Nos. 04/2010, 12/2019 & 08/2021. Further, the candidate should possess teaching experience of undergraduate and post graduate levels in Veterinary Pathobiology subjects.

Candidates should have a proven track record of research and scholarly work with extensive publications in the refereed international and local journals.

**(ii) Lecturer (Probationary), Lecturer (Unconfirmed)/ Senior Lecturer Grade II/
Senior Lecturer Grade I**

The prospective candidates should have a BVSc. Honours degree and should be a Registered Veterinarian in the Sri Lanka Veterinary Council. Postgraduate qualifications as stipulated in relevant circulars and two years' experience in teaching Pathobiology at the undergraduate or postgraduate level is an essential for Lecturer (Unconfirmed) and Senior Lecturer Grade II/I.

Experience in small and large animal post-mortems including avian, aquatic and exotic animal species at the field and laboratory level is required. Further, experience in generating accurate post-mortem reports is required specialized qualifications.

Candidate with research publications in International and/ or National Journals will be an added qualifications. The recruited applicant will be assigned to the Pathology division. He/ She should be willing to work in gross pathology, histopathology, clinical pathology, and rabies diagnostic laboratories.
