

Vacancies for the post of Temporary Demonstrator for the Department of Engineering Technology, Faculty of Technology, Sabaragamuwa University of Sri Lanka

Department of Engineering Technology, Faculty of Technology, Sabaragamuwa University of Sri Lanka invite suitable candidates for the post of Temporary Demonstrator in Mechanical Engineering, Electrical Engineering and Physics.

1. Post : Temporary Demonstrator in Mechanical Engineering

Number of positions: Two (02)

Minimum Qualification: B. Sc. Eng. (Hons.) Degree or B.Tech.Eng. (Hons.) Degree in Mechanical/Mechatronics Engineering, or BET(Hons) in Mechanical Engineering Technology

Preference will be given for the candidates who can perform the practical demonstrations in modules of workshop Technology and practices, Automobile Technology, design of machine elements, CAD and CAM

2. Post : Temporary Demonstrator in Electrical Engineering

Number of positions: One (01)

Minimum Qualification : B. Sc. Eng. (Hons.) Degree or B.Tech.Eng. (Hons.) Degree in Electrical or BET(Hons) in Electrical/Mechanical Engineering Technology.

Preference will be given for the candidates who can perform the practical demonstrations in modules of Applied Electronics, Electrical machines ,Industrial Installation.

3. Post : Temporary Demonstrator in Physics

Number of positions: One (01)

Minimum Qualification: B. Sc. (Hons) in Physics/Applied Physics

Preference will be given for the candidates who can perform the practical demonstrations in modules of Computational and Numerical methods, Industrial Metrology, Fluid mechanics and Electronics

Candidates with above qualification shall apply for the vacancies by forwarding the curriculum vitae including results of under graduate subjects already released and the copies of relevant certificates to the Head of the Department via the email address given below.
