

Exciting Opportunity for Former Air Traffic Controllers to Rejoin the Profession

Airport and Aviation Services (Sri Lanka) (Private) Limited invites experienced Air Traffic Controllers who have previously held an Air Traffic Controller's Licence and Rating issued by the Civil Aviation Authority of Sri Lanka to rejoin our team and contribute to the safe and efficient management of Sri Lankan airspace.

We are offering deployment opportunities at various Air Traffic Control Centres across Sri Lanka, where you can once again apply your expertise and experience in this vital profession.

If you are interested in resuming your career in air traffic control and playing a key role in Sri Lanka's aviation sector, we encourage you to apply.

For further details and application procedures, contact Head of Air Navigation Services of AASL through email: head.ans@airport.lk

Join us in guiding the skies of Sri Lanka!
